Una collezione che nei colori e nell'aspetto ricostruisce il fascino solare e la gioiosa eleganza delle ceramiche di Vietri. Il blu, l'azzurro, il bianco e il verde acqua presentano le tipiche nuvolature delle piastrelle decorate a mano e il medesimo andamento mosso della superficie.

A collection that in its colours and appearance reconstructs the sunny charm and joyful elegance of Vietri ceramics. The blue, the light blue, the white and the teal have the typical cloudy effects of the hand-decorated tiles and the same wavy pattern of the surface.

Une collection qui, dans ses couleurs et son apparence, reconstitue le charme ensoleillé et l'élégance joyeuse de la céramique de Vietri. Le bleu, le bleu clair, le blanc et vert ont le flou typique des carreaux décorés à la main et le même motif ondulé de la surface.

Tramite ai nostri processi produttivi vengono ricreati, sia in gran fuoco che artigianalmente, soggetti grafici che riproducono fedelmente i motivi classici realizzati dai maestri ceramisti vietresi. Lo smalto lucido e materico dona luminosità a questa serie impreziosita dal formato 22,5x22,5 e da numerosi decori pensati per interi ambienti o per estese porzioni di pavimento e rivestimento.

Through our production processes, graphic subjects are recreated, both in high fire and by hand, that faithfully reproduce some classic motifs created by the Vietri master potters.

The glossy and textured enamel gives brightness to this series embellished by the 22.5x22.5 size and numerous decorations designed for entire rooms or for large portions of floors and walls.

Dans notre production des sujets graphiques sont reproduits, en gardant les caractéristiques des motifs classiques réalisés par les maitres céramiques de Vietri. L'émail brillant et texturé donne luminosité à cette série enrichie par le format 22,5x22,5 et une vaste gamme de décors conçues pour des pièces entières ou pour de grandes portions de sol et mur.
